EYP is the leading architecture and engineering firm developing new ideas and design solutions with mission-driven clients in higher education, government, healthcare, and science & technology. Our interdisciplinary Total Impact Design™ approach empowers clients with buildings that profoundly impact human behavior and performance as well as energy and the environment. Dedicated to People, Purpose, and Planet, EYP design liberates human potential to transform performance; actively helps clients advance their mission; and maximizes available resources to advance sustainability. Inspired by our clients, design is how we make a positive impact on the world.
